PROGRAM GUIDELINES

1. *I agree not to consume Alcohol and/or Drugs while residing at this property. If I am taking prescription medications (non-narcotic only apart from Medication for Opioid Use Disorder) that are prescribed by a doctor, I will provide that information at the time of initial intake and discuss further use with management.*

If I am prescribed prescription medications (non-narcotic only, apart from Medication for Opioid Use Disorder) by a doctor during my stay at this residence, I will contact the house manager immediately to discuss this. I will also discuss any over the counter medications with management PRIOR to taking them. I further understand that it is my responsibility to avoid ingesting anything (including food), that may cause a false positive reading during drug screens. I understand that if staff believes that I am under the influence, I am subject to discharge even if a drug screen produces no illicit substance present. Individuals on Medication for Opioid Use Disorder agree to have the levels of the medicine randomly checked to confirm compliance with their treatment regimen.

2. *I agree to take random screens for drug and alcohol use administered by management upon request.*

If the test has a reading for illicit substance use, the program participant will be asked to leave the house immediately. If a program participant is unable to produce a urine sample within 1 hour of the request of the house manager, the urine drug screen/breathalyzer will be considered positive. If for some reason the test is inconclusive, or the manager is uncertain about the results, the program participant will be asked to have a drug screen/breathalyzer performed at an independent laboratory at the discretion of the manager. If that test has a reading for illicit substances (excluding those participating in a Medication for Opioid Use Disorder program producing licit use results), the program participant will be asked to leave the house immediately.

3. *I agree not to steal others' property while I am a program participant of the house. This includes personal property and food belonging to the agency or any other program participants of the house.*
4. *I agree not to use physical force against anyone in the house while a program participant of the house. This includes threatening and/or verbal harassment of other program participants or management.*
5. *I agree to pay my program fees on time and in full each month on the date of entry, each month.*
6. *I agree within the first 30 days to actively seek and obtain full time employment. Employment hours may be substituted with volunteer hours, classes and outpatient treatment if approved by the house manager. The hours of employment must fall in between the curfew for that day. Our program defines full time employment as 32 hours of productivity from activities listed above.*
7. *I agree to follow the curfew, which is **10 PM Sunday through Thursday and 11 PM Friday and Saturday**. In the event I am unable to make curfew, I will contact the house manager to discuss this prior to the curfew.*
8. *I agree to attend minimum of five Alcoholic Anonymous, Narcotics Anonymous, and/or Celebrate Recovery meetings per week if I have less than one year in recovery and a minimum of four meetings per week if I have over one year in recovery. **The house meeting on Wednesday at 6:00 PM and Sunday at 9:00 PM is mandatory. The time of this meeting is subject to change, to be determined by house management.***
9. *I agree to find an AA, NA or CR sponsor and start step work within the first 30 days. I agree to continue doing step work during my entire stay in our program.*
10. *I understand that overnight stays away from the program are a privilege and must be cleared with the house manager 5 days prior to the date requested. Failure to be in the house after curfew will be viewed as a relapse, and the program participant will be discharged.*

11. *I agree to show financial responsibility if I bring a motor vehicle on the property, I will provide a valid driver's license, valid registration, and proof of insurance coverage. Parking privileges will not be provided by facility. I understand that it will be my responsibility to obtain and pay for parking spaces off facility property. **To be determined by house management.***
12. *I agree to keep my room clean and orderly, make my bed every morning, as well as maintain the cleanliness of the common areas, daily and as needed.*
13. *I agree to do the weekly chore that is outlined by the Chore Coordinator when assigned and to participate in any special projects that are requested by the manager of the house. **I understand that chores are to be done heavily on Wednesday and Sunday by 6 PM, I agree to check them daily, and clean, as necessary.***
14. *This residence is smoke-free & vape-free. There is no smoking/vaping inside the house at any time. Smoking/vaping in the house will result in immediate dismissal. Smoking/vaping is allowed outside only in designated areas. Cigarette butts must be disposed of properly.*
15. *No overnight guests will be allowed, including family members. Any guests will be limited to the common areas of the house and must have at least 60 days clean and sober. No non-program participants are permitted off the 1st floor of the facility(s) without prior management approval. Program participants should bring the presence of questionable guests to the house manager's attention immediately.*
16. *I will not engage in an intimate relationship with any other program participant of an ASAP Sober Living facility.*
17. *I agree to commit to a minimum of a 6 month stay if this my first attempt in the program and a year stay for any subsequent attempts. If I leave early, I forfeit my security deposit.*
18. *I agree to retrieve my belongings and personal effects no later than 72 hours after leaving the residence. I understand that if I do not, they will be donated to charity.*

21. *Do not go into any other program participants' rooms when they are not present. In case of an emergency, two people must be present, and the house manager must be notified.*
